#### IV. Summary and Conclusion

Were the elections in Michoacan and Chihuahua free and fair? That is the question you would like to stay for the questions. We did not come here to observe or judge the elections. To have observed ~~the~~ ~~elections~~ ~~effectively~~ ~~meetings~~, to have fielded  
and ~~negotiate~~ ~~long~~ before the ~~elections~~, to have been invited  
all and welcomed by ~~rti~~  
every stage of the ~~process~~ ~~this trip~~. And the ~~representatives~~ were  
known.

In our view, in our view Mexico's since positive way 1998, and the election climate is ~~any~~. But it continues to show ~~the~~ ~~system~~ ~~and~~ ~~action~~. But ~~the~~ ~~intelligence~~ ~~social~~ ~~for~~
