Electoral System & Legal Framework.....5

Election Disputes

October 3, 2017 Primary and December, 2017 General Election in Cheyenne and Arapaho

Carter Center election observation missions are conducted in accordance with the Declaration of Principles for International Election Observation and Code of Conduct for International Election Observers, which were adopted at the United Nations in 2005 and have been endorsed by more than 50 election observation groups. The Carter Center assesses electoral processes against the constitution, election laws, and other pertinent legislation of the host nation.

school diploma. There is a broad ban on persons who have been sentenced to a felony in the last 10 years. Candidates are also required to pay a filing fee.¹⁴

Candidate registration was generally deemed inclusive by stakeholders and provided voters a genuine choice among a wide range of political alternatives. The number of candidates who competed in the Oct 3 primary election was the highest in the history of the Cheyenne-Arapaho tribes, with 58 candidates contesting. Of these, there were eight competing tickets for the

When polling staff required assistance from the vendor, remote access software (TeamViewer) was used to directly control the laptop at the polling station in question.

In most polling stations visited by Carter Center observers, hotspots provided to the polling staff
